III.Relief Sought

I would like ~~me~~ everything investigated and Corrupt Federal officials prosecuted and to be formally Notified about what took place and what was generated from the fraud. Christopher Wray and Anthony Delasandro should be investigated, they ran companies purchased illegally.

IVSummary Argument

The Petitioner has a fourteenth amendment right under the United State Constitution, to Due Process under the Due Process clause to have Complaints Investigated When they are Substantiated.

VSTATEMENT OF FACTS

The Petitioner Filed a Complaint 6-30-24 and Several others to the Federal Bureau of Investigation, Pertaining to being Prosecuted illegally, Massive fraud being Filed in My Name, Federal and Political Corruption involving Nancy Pelosi, Christopher Wray, Director, Deputy Anthony Delasandro, FBI Heads of Delaware County, Pennsylvania and Philadelphia, Pennsylvania and Depart of Justice Civil Department Director Desantis and others. See Complaints Filed to Department of Justice.

VIArgument

The ~~Pennsylvania~~ Federal Bureau of Investigation Should be made to investigate Complaints and all Parties involved, and online Content of Petitioner.

1. General principles and Standard Review.

The District Court Exercise its Jurisdiction When it has the authority to do so, When a government Entity Refuses to exercise your substantive rights to Due Process, The District Court Can issue a Writ.

Party Seeking Mandamus must show both that there is clear entitlement to relief requested and there is irreparable harm.

2. Mandamus is the proper remedy in this case to order ~~Pennsylvania~~ Federal Bureau of Investigation to investigate Complaints and Nancy Pelosi and head of Governors Bureau Joe Biden, Tom Wolf, Ed Rendell for Prior and Future Lawsuits being ~~File~~ Filed Without My Consent and Knowledge Possibly When I was a Juvenile to Current Date, Filing through Philadelphia Federal Court, and Governors office, also in the Capitol in Washington, and in the prothonotarys office and also receiving a Settlement from the Federal Reserve, these same corrupt officials target me and My Family to cover up Crime. ~~Corruption~~ Corruption also in other states with Feds and Gov Pertaining to Lawsuits, Buying Companies illegal Proceeds

VII

Conclusion

Writ Should be granted, FBI Should be made to investigate and Prosecute all involved immediately because me and my family are at risk of retaliation.
